

CORE

VALUES

FAIRNESS & EQUALITY

Applying and following fair limits and rules builds trust between you and your campers.

Adapting to each camper's needs, because every person deserves an equal chance to learn.

POSITIVE REINFORCEMENT & ENCOURAGEMENT

Recognizing your campers' positive efforts ensures that they feel valued as individuals.

Create English-speaking moments all day long, and encourage your campers to participate!

CULTURE & HISTORY

Creating an authentic English immersion learning experience is our goal.

Adapting unbiased cultural and historical information to your campers' age group is essential.

HUMOUR & CREATIVITY

Sharing a smile and showing a sense of humour puts your campers at ease, despite the challenge of leaving home and speaking in English.

Using imagination and creativity each day engages your campers.
